**IMAGE MUSICAL THEATRE presents**

## **THE SELFISH GIANT**

**A family participation musical based on Oscar Wilde's enchanting tale.**

Oscar Wilde's short story *The Selfish Giant* is a beautiful and moving story. By sharing the experience of the Giant's selfishness, his moment of realisation and finally his redemption, children and adults alike are reminded of the value of generosity.

Now in their 27<sup>th</sup> year, Image Musical Theatre offers professional and high quality theatre for children. With their focus on classic and modern children's literature they bring to life original stories in a participatory musical format.

What marks Image Music Theatre out is their involvement of the whole audience in the rehearsal and participation in the show and giving the opportunity to some of the children in the audience to act alongside the professional actors. In the *Selfish Giant* around a dozen children will join the actors on stage as villagers and the whole audience will participate as a chorus of singers.

Their shows provide a visually stimulating introduction to the very best of children's literature.

This show will give audiences both young and old the chance to experience theatre at its very best with fantastic costumes, an ingenious set and original music by Robert Hyman.
